An Explanation.

The officers of election in Magisterial districts Nos. 4 and 5 discovered an error in the pull books soon after they were delivered to them had Sunday and Monday. It was found that the names of the Republican candidates for magistrate in those two districts had by some means been transposed. John Johnson came back to Louisa us soon as he heard of it for the purpose of learning where the mistake office and found that the ballotwere exactly like the copy brought in by the deputy clerk."
